Dear Ms. Haskins:

On August 12, 2019, the Pennsylvania State Police (PSP) received your request for information pursuant to the Pennsylvania Right-to-Know Law (RTKL), 65 P.S. §§ 67.101 - 3104, wherein you state:

Pursuant to the Pennsylvania Right to Know Act, I hereby request the following records:

Law enforcement agencies around the country have "partnerships" with Ring, Amazon's home security company. These partnerships involve an exchange: Law enforcement gets access to ring's "Law Enforcement Neighborhoods Portal." The Law Enforcement Neighborhood Portal is a way that police can request Ring camera footage from people that use Neighbors, Ring has "neighborhood watch" app. (https://www.vic.com/en_us/article/qvg48d/everything-you-nne-to-know-about-ring-amazons-surveillance-camera-company)

Therefore, I hereby request the following records:

- 1) All instructional materials, presentations and presentation materials (including recorded video and audio, PowerPoint files, prepared remarks, and slides formats), and other guidance on the use of Ring devices and/or the Neighbors app. This includes A) any notes taken during meetings that discussed the use of Ring devices and/or the Neighbors app, B) any explanations (whether internally or externally generated) of how ring devise and/or the Neighbors app work, and C) any other documents that has been used to help explain the use of ring devices and/or the Neighbors app to any

party, including internal documentation, public relations materials, and executive summaries.

- 2) A copy of any privacy impact assessments, use policies, standard operating procedures, data retention policies, legal opinions, warranties, non-disclosure agreements, contracts, liability waivers, insurance agreements, Requests for Proposals, Responses to Requests for Proposal, Memorandums of Understanding, Letters of Interest, usage policies, or informal agreements between the police department and Ring.
- 3) A copy of any funding opportunity announcements, grant applications and grantor status/progress reports, report to legislative bodies, annual reports that mention Ring to the Neighbors app, as well as audit records, including up not limited to security audits of the software, misuse reports, and report to oversight bodies.
- 4) Any digital communications including but not limited to emails and text messages) as well as documents, (including but not limited to PDF, word processing, excel, and slide documents) that mention ring or the Neighbors app.
- 5) Any digital communications (including but not limited to emails and text messages) with Ring representatives.

Under the RTKL, a written response to your request is due on or before August 19, 2019.

Under the provisions RTKL section § 67.902(b)(2), you are hereby notified that your request is being reviewed and the PSP will require up to an additional 30 days, i.e., until September 18, 2019, in which to respond to your request. Should your request be granted, the total for the estimated or actual fees owed, if any, will be included in our subsequent response. The reason for requiring additional time for a final response is checked below:

- Compliance with your request may require the redaction of certain information that is not subject to access under RTKL.
- Your request requires retrieval of one or more records that are stored at a remote location.
- A response by the mailing date of this letter could not be accomplished due to bona fide staffing limitations. In particular, _____.
- Your request is under legal review, which is necessary to determine whether a requested record is a "public record" for purposes of the RTKL.

☐ Your compliance with the following agency policies is required for access to the record(s): _____

☐ You must pay the applicable fees authorized by the RTKL.

☒ The extent or nature of the request precludes a response within the required time period.
